Story 1

- This map represents the 2..
- This map represents the Top 40 ranking co..
- This map represents the Bottom ranking count..
- This Bar chart demonstrates the ind..**
- This visualization demonstrates the ind..
- This visualization demonstrates the ind..
- This visualization represents the inde..

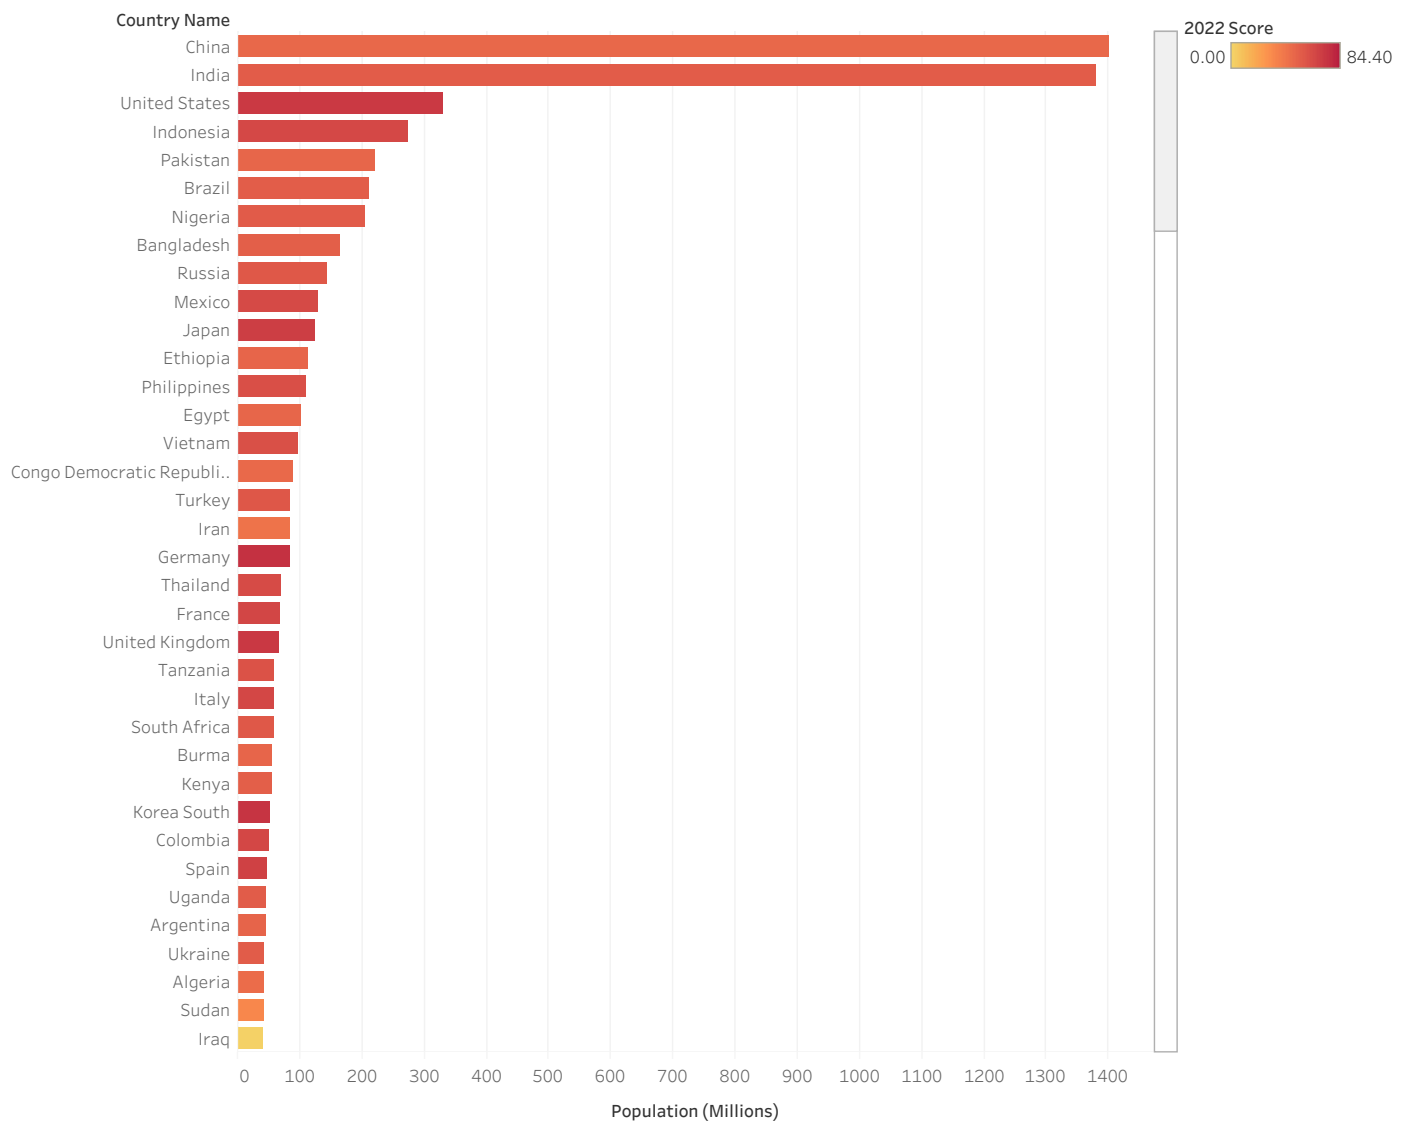

Story 1

This map represents the T..	This map represnts the Bottom ranking count..	This Bar chart demonstrates the ind..	This visualization demonstrates the ind..	This visualization demonstrates the ind..	This visualization represents the index ..	This graph represents the infl..
-----------------------------	---	---------------------------------------	--	---	--	----------------------------------

Story 1

- This map represents the Bo..
- This Bar chart demonstrates the ind..
- This visualization demonstrates the ind..
- This visualization demonstrates the ind..
- This visualization represents the index ..
- This graph represents the inflation rate in di..
- This Line graph represents the corr..

Story 1

This Bar chart demonstrates th..

This visualization demonstrates the ind..

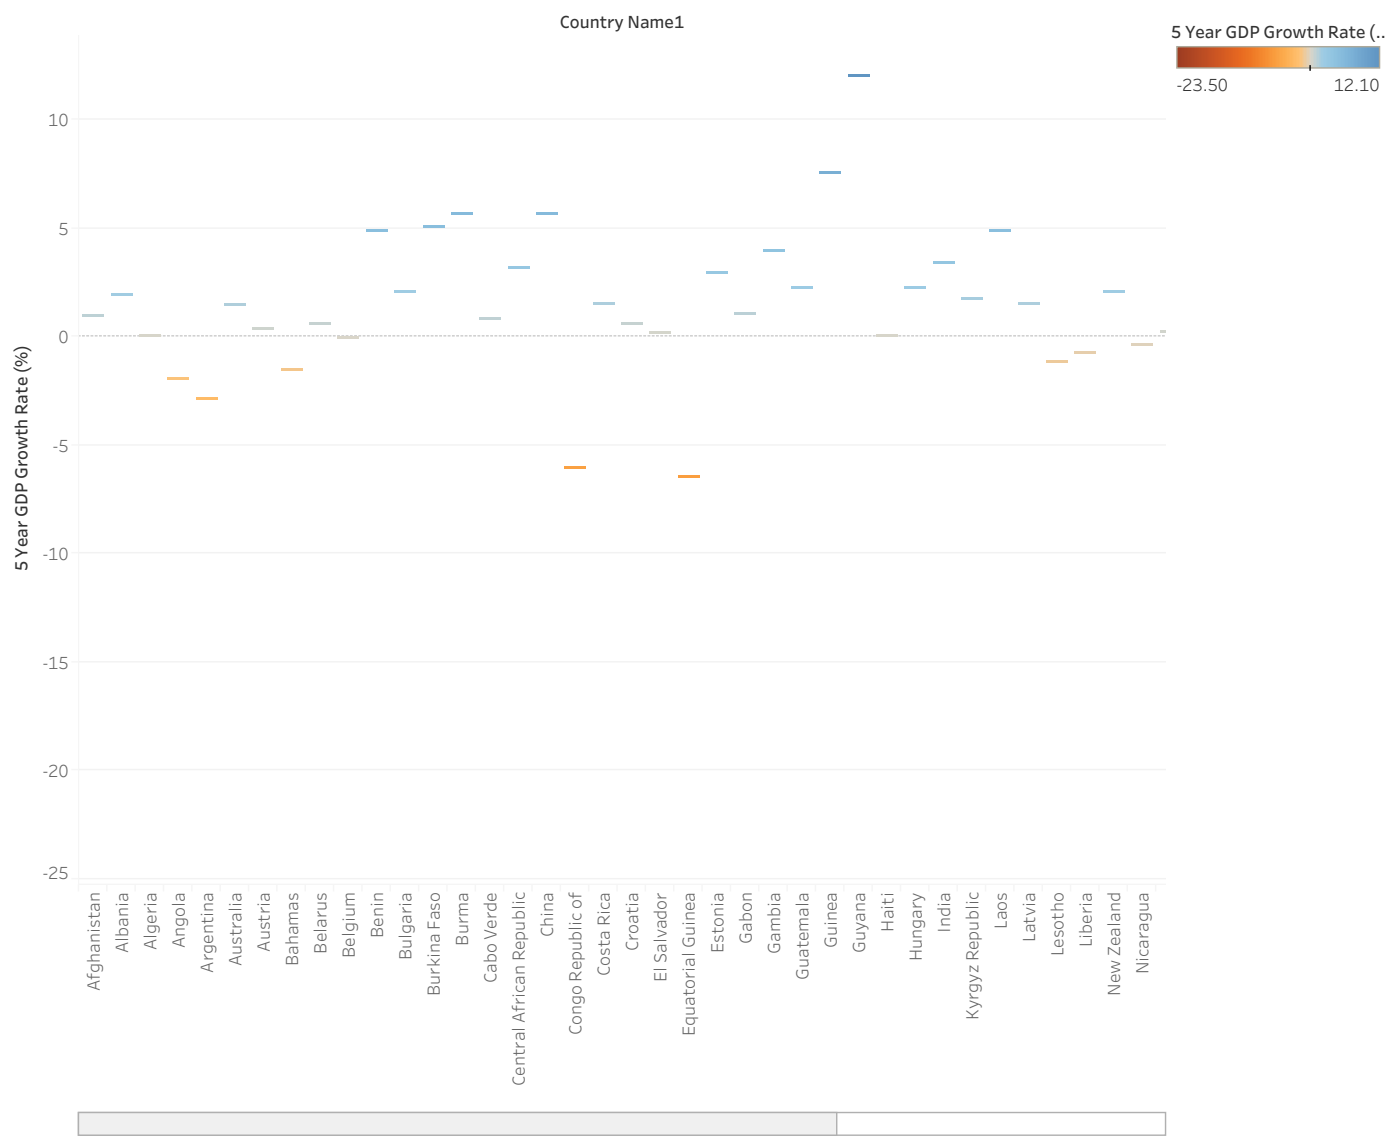

This visualization demonstrates the ind..

This visualization represents the index..

This graph represents the inflation rate in di..

This Line graph represents the correl..

This Line graph represents the corr..

Story 1

This visualization demonstrates th..

This visualization demonstrates the ind..

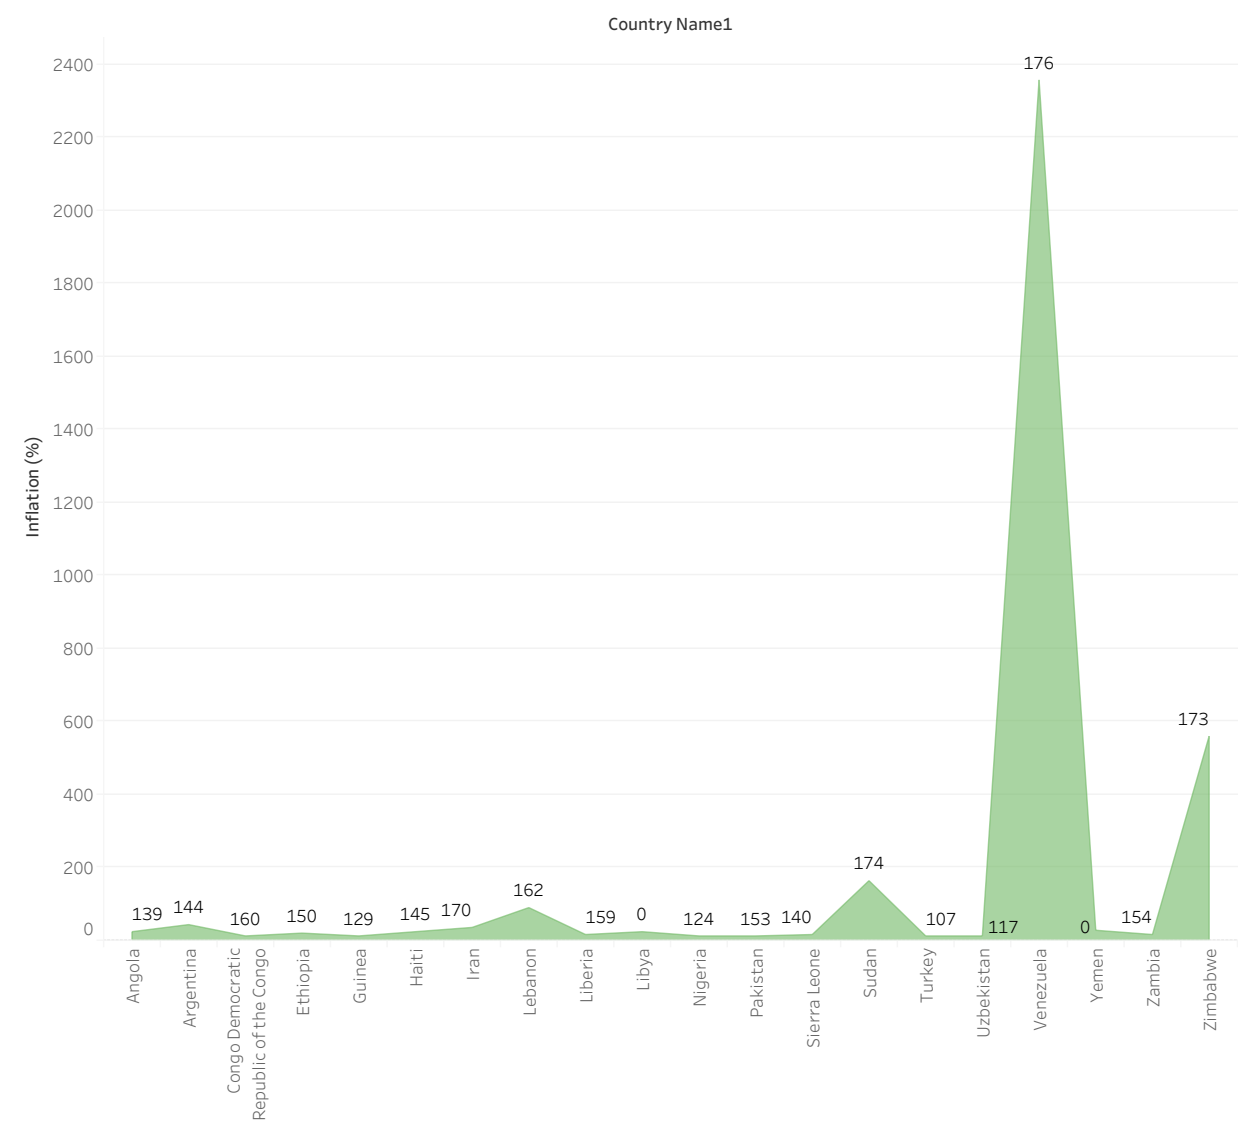

This visualization represents the index ..

This graph represents the inflation rate in di..

This Line graph represents the correl..

This Line graph represents the correl..

This visualization represents the Top ..

Story 1

This visualization demonstrates th..

This visualization represents the index ..

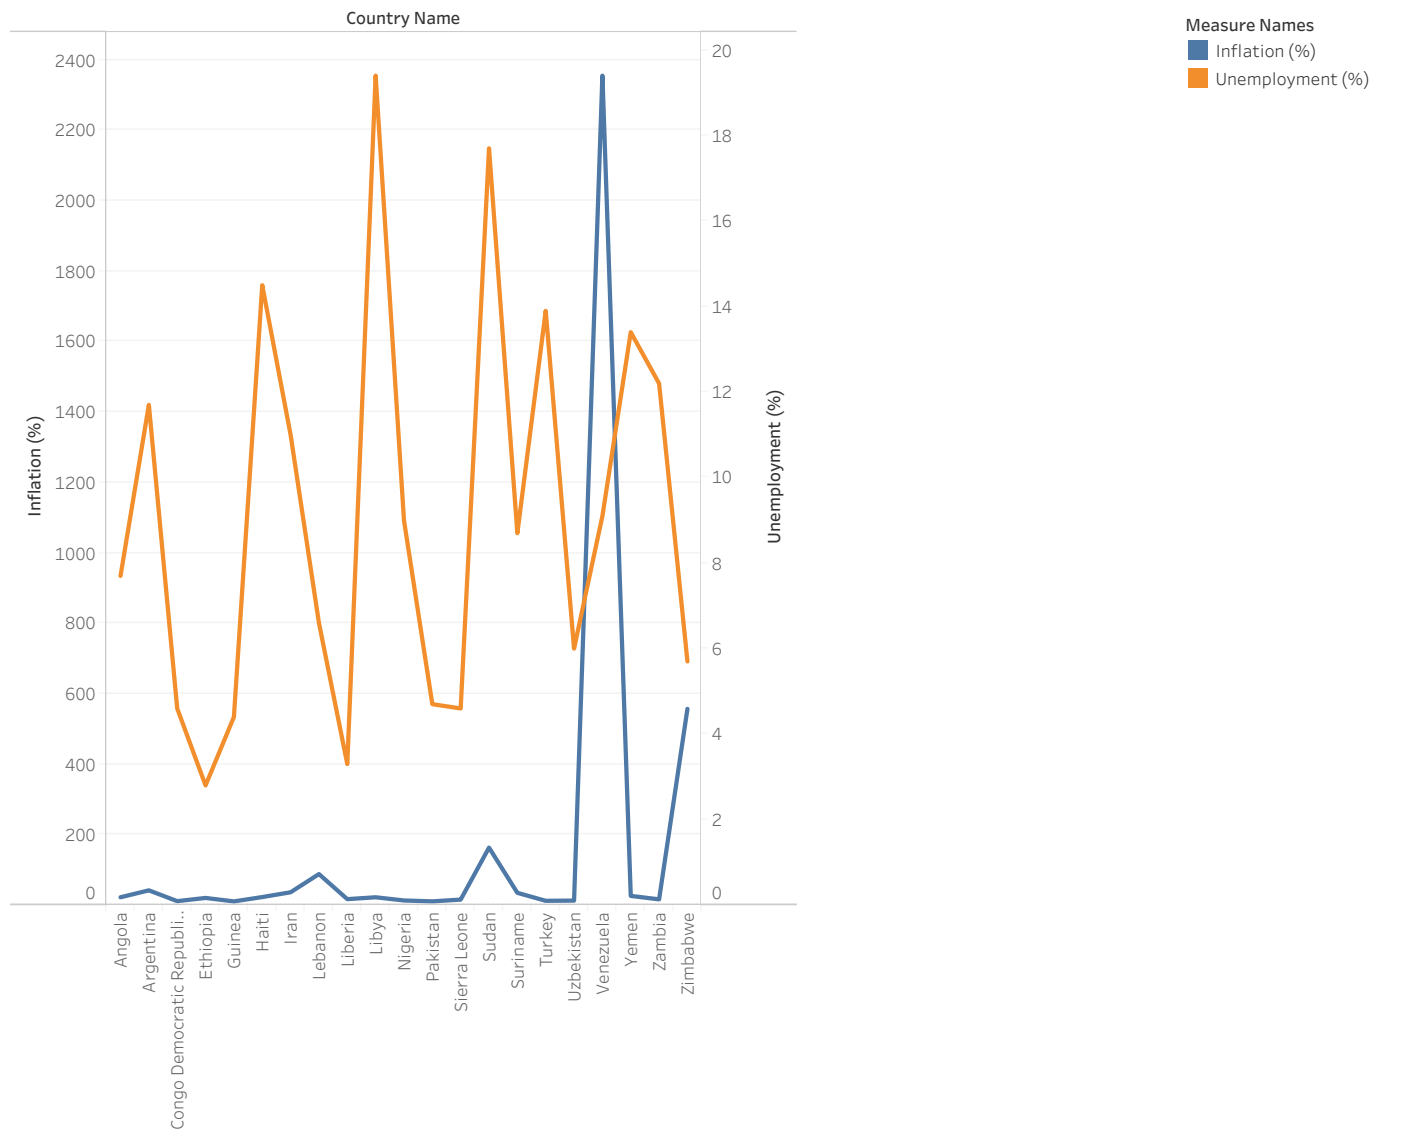

This graph represents the inflation rate in di..

This Line graph represents the correl..

This Line graph represents the correl..

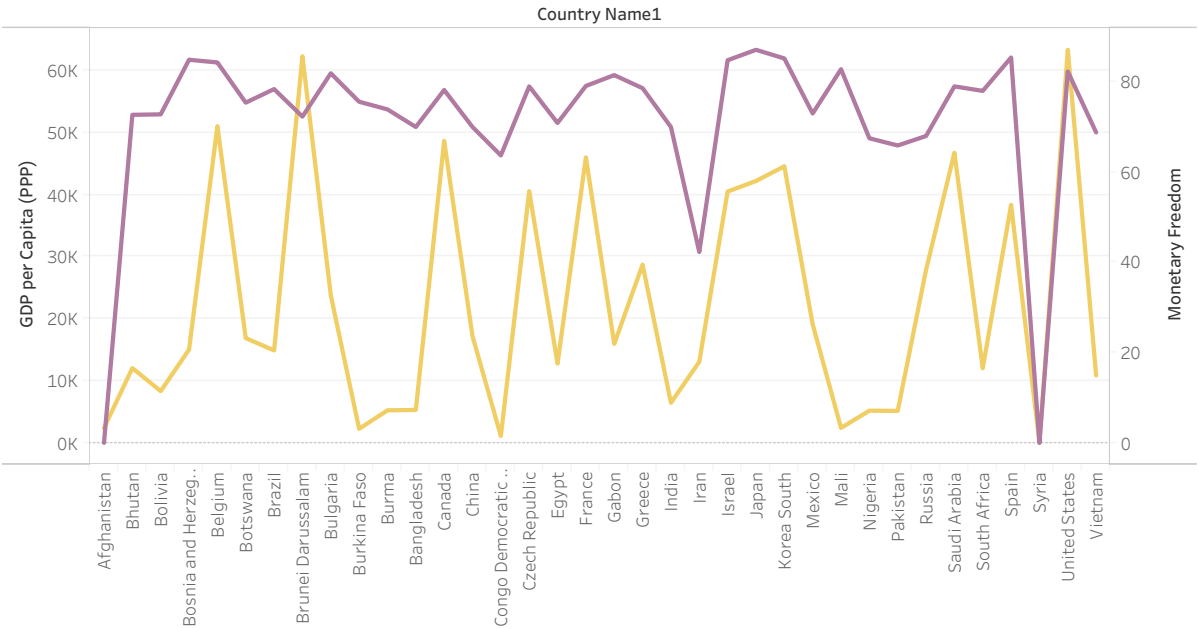

This visualization represents the Top 4..

This visualization represents the Bot..

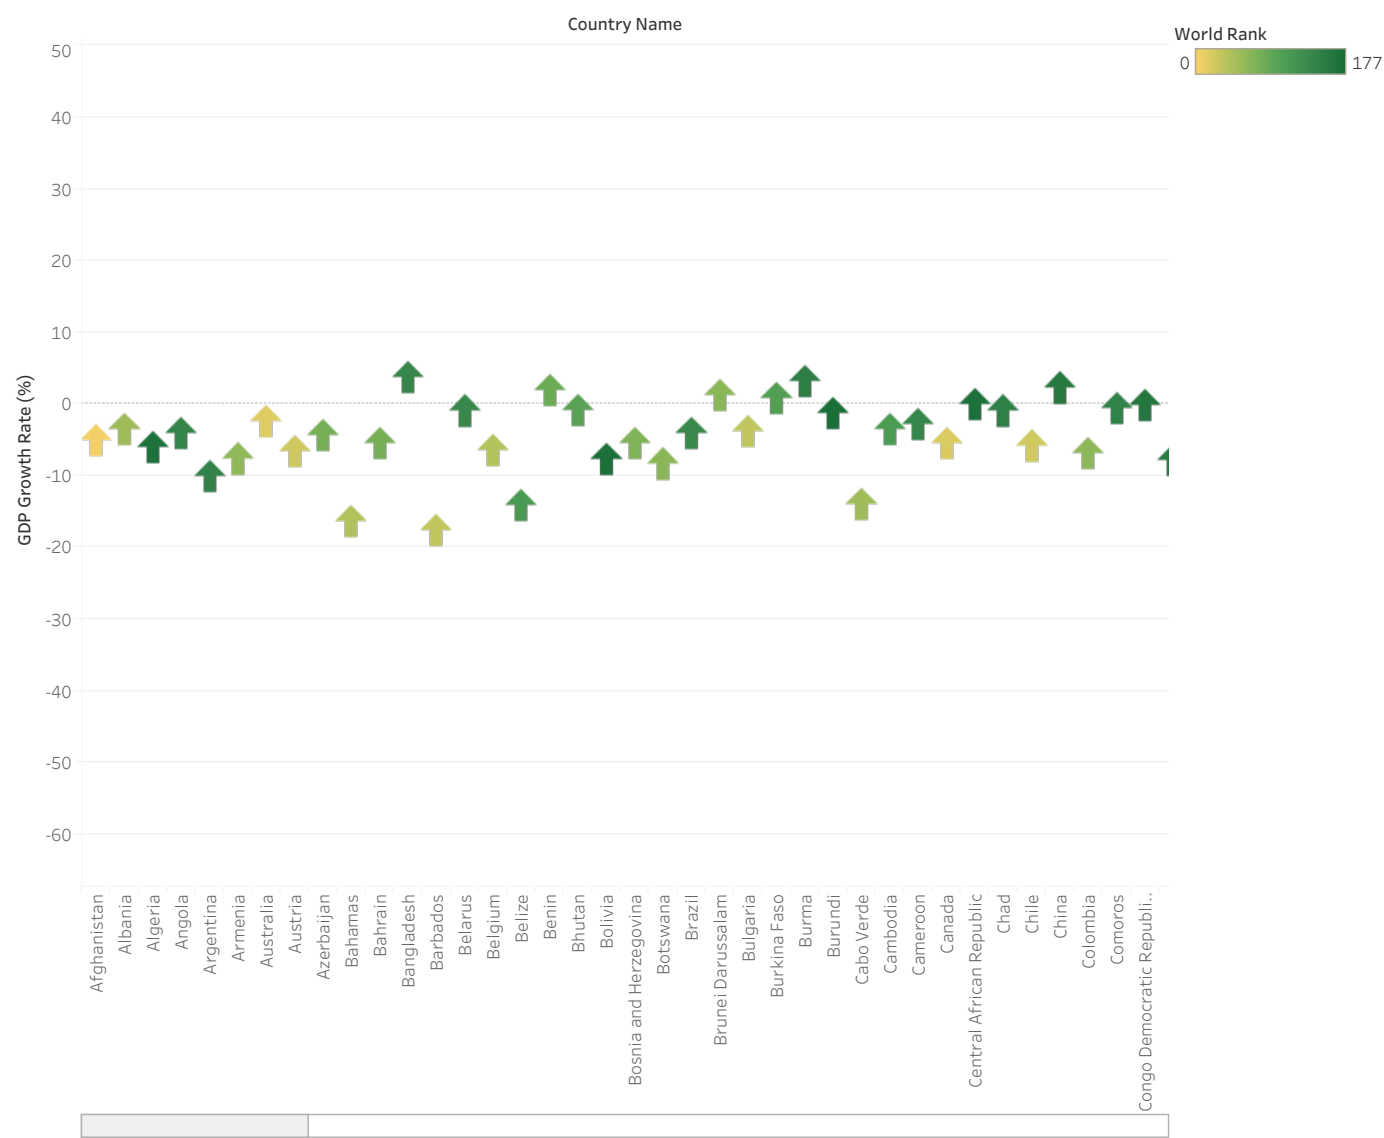

Story 1

This visualization..	This visualization represents the index ..	This graph represents the inflation rate in di..	This Line graph represents the correl..	This Line graph represents the correl..	This visualization represents the Top 4..	This visualization represents the Botto..
----------------------	--	--	---	--	---	---

Story 1

- This visualization..
- This visualization represents the index ..
- This graph represents the inflation rate in di..
- This Line graph represents the correl..
- This Line graph represents the correl..
- This visualization represents the Top 4..
- This visualization represents the Botto..

Story 1

This visualization..

This visualization represents the index ..

This graph represents the inflation rate in di..

This Line graph represents the correl..

This Line graph represents the correl..

This visualization represents the Top 4..

This visualization represents the Botto..
